DRIED FLOWERS & NATURAL DECORATION

TRENDY CATALOG 2022

INTRODUCTION

“We proudly present to you our newest collection of dried flowers and natural decoration.”

Our basic collection consists of pinecones, mosses, dried flowers, dried flower bouquets, potpourri's and natural decoration. We export to customers in the floral and lifestyle business in 39 countries in northern Europe and the US.

We started in 2005 and are a BSCI:B audit company. Even though we are a medium-sized family company, we have made an impact on the world for bringing Turkish natural products and packaging to a higher standard. Our unwavering principles are **quality, service, timely delivery and reasonable prices.**
